Program Overview

KALEO is a Christian leadership development initiative for incoming junior and senior high school students featuring an immersion component and a one-year mentoring component.

The overarching purpose of KALEO is to transform lives through the discovery, discernment, and affirmation of God's call for Christian leadership in the lives of junior and senior high school students.

Immersion Program

Students involved in KALEO will participate in a 2-week program involving a series of three different back-to-back immersions.

- **Wilderness Immersion** at Camp Eagle, kayaking down the South Pecos River near Rocksprings, Texas.
- **Campus Immersion** led by the faculty of the school of Christian studies on the Wayland Baptist University campus in Plainview, Texas
- **Mission Immersion** mobilizing students to God's mission with one of the Wayland Baptist University Mission Center partners.

One Year Mentorship

Three months before and eight months after the immersion, students are mentored by hometown pastors and leaders. Mentors help a student process their immersion program experience and walk alongside them as they make major life decisions and seek to follow God's call in Christian leadership. Mentors meet regularly with students and supervise the leadership and involvement of students in various ministry contexts.

Participant Description

Number of Participants: 10 student participants (5 female, 5 male with an attempt at an equal distribution of junior and senior high school students).

Character of Participants: KALEO builds upon students who have a living and growing relationship with Christ. Each participant should have encountered a call to salvation in Christ and have a desire for growth in His image through discipleship and exhibit the potential for leadership and ministry.

Nomination of Student Participants: Local church congregations, pastoral leaders, and mentors can nominate students as candidates for KALEO. Nominations can be made for participants who have just completed their sophomore or junior year in high school. Nominations should be presented by mid-February. Nominator forms can be submitted via e-mail at kaleo@wbu.edu or printed and mailed to Wayland Baptist University at 1900 W 7th #1265 in Plainview, Texas 79072.
